

Vital®: Do more for your customers.

Your small business customers are always running, and they need a point of sale that can keep up. The entire Vital® product family is built off of a single, powerful platform with easy-to-use tools that will empower your customers to run and grow their business better, no matter what business they're in.

Inventory Management

Get real-time data to better manage inventory expenses, maximize sales and help stay in stock.

Pricing and Discounts

Easily establish and manage price points and discount programs across products and locations.

Taxes and Tax Reporting

Set up, track and manage taxes for accounting procedures, and how they appear at the point of sale.

Customer Payments

Securely accept all payment types to help improve cash flow and profitability.

Employee Management

Track and manage time and attendance, understand staffing needs, and gain efficiencies.

The right solutions for your customers.

Vital® Mobile

An affordable, fully mobile solution that lets you run your business using your smart phone – anytime, anywhere.

Vital® Plus

A simple in-store solution that lets you run your business from a single, all-in-one countertop device.

Vital® Select

Built for busier, more complex in-store environments that need our fastest, most full-featured and largest point of sale options.

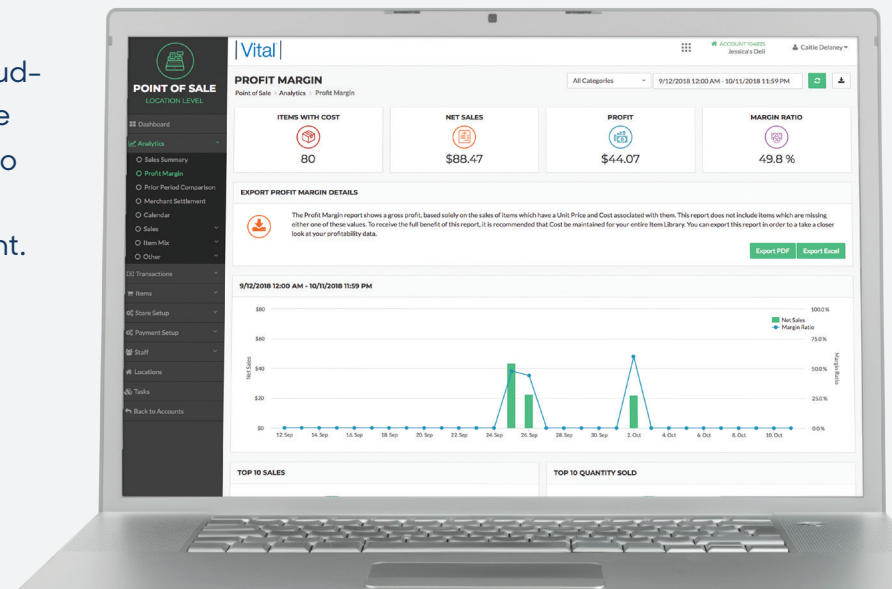

The powerful Vital® Back Office.

All Vital® solutions include the powerful, cloud-based Vital® Back Office, which provides the management tools, reporting and insights to help your customers manage and run their business whenever and wherever they want.
